This paper is submitted in response to the Office Action dated August 1, 2002 for which the three-month date for response is November 1, 2002.

If an extension of time is required to enable this paper to be timely filed and there is no separate Petition for Extension of Time filed herewith, this paper is to be construed as also constituting a Petition for Extension of Time Under 37 CFR § 1.136(a) for a period of time sufficient to enable this document to be timely filed.

This Amendment does not increase the number of independent claims and does not increase the total number of claims. This Amendment does not present any multiple dependency claims.
